BP-172 Mobile Label Printer

Printing Parameters	Printing method	Direct thermal
	Printing width	MAX 72mm
	Resolution	203 dpi
	Printing speed	MAX 100mm/s
	Paper width	22mm-80mm
	Label height	MIN 10mm, MAX 250mm
	Cartridge capacity	Φ50mm(MAX)
	Interfaces	USB+ Bluetooth + WiFi
General parameters	Dimensions	130.5mmx108mmx59.5mm
	Display	OLED LCD display
	Storage	RAM:8MB, FLASH:8MB;
	Power	2000mAh Li-On rechargeable
	Power supply	5V 2A(Type c)
	Paper ripper	Support
	Drop-resistant height	1.5m
	Water/dust proof grade	IP54
Software	Certificates	CCC、CE、FCC、SRRC
	Driver	XP、Win7、Win10、Mac、Ios、Android、Harmonyos
	Emulation	TSPL/CPCL/ZPL/ESC/POS
	Functions	Lid-status detection function Automatically re-printing after paper re-fill Automatically detect paper
Environment	Working environment	Temperature:-10c-50'c Humidity:5%-95%
	Storage environment	Temperature:-20'c-60'c Humidity:5%-90%
